

INSURNEXT

FULLSTACK DEVELOPER

FULL-TIME, REMOTE

INSURNEXT is a growth-stage, Insurtech startup headquartered in Luxembourg. We develop modern and innovative web solutions for insurance companies and brokers from Belgium, the Netherlands and Luxembourg. It is our mission to develop the insurance of tomorrow. We are currently working on a number of exciting projects with well-known insurers and are looking for a motivated developer to join our growing team!

What you will be doing

- Frontend and backend development
- UI / UX design and development
- Cover all parts of the software lifecycle from concept through development, testing, deployment, monitoring and support
- Actively contribute to product strategy across the board

Skills you should have

- 3-5 years of experience in web development, mastering HTML5, CSS3 and JavaScript
- Experience in developing NodeJS applications
- Strong working knowledge of responsive web design and cross-platform compatible coding techniques and troubleshooting
- Good understanding of web application security risks and best practices
- Putting a lot of effort into usability, ease-of-use, simplicity and consistency in software solutions
- Being passionate about new technologies and tools and always being eager to test and learn to use them
- Startup mindset with a self-driven doer attitude
- Fluent in English
- Nice-to-haves: AWS, VueJS, MongoDB, RESTful APIs, GraphQL, Serverless, JavaScript Testing, Docker/Kubernetes, Task runners, Agile development, Good to very good command of French

What awaits you

- The unique opportunity to be part of a fast-growing business and help shape the insurance of tomorrow
- You work remotely and organise your time flexibly: work when and where you are the most productive
- You regularly meet with other team members in Luxembourg or Vienna, Austria (depending on where you live)
- You will have significant ownership, autonomy and impact on the projects you will be working on

Benefits

- One day per week, you can work on your own ideas in the Insurtech field
- Continuing education and conferences budget
- Potentially: company shares

Sounds like an exciting job to you? Please send your CV to info@insurnext.com. If you have a portfolio and/or GitHub profile, please show us. We are looking forward to hearing from you soon!
